

Winter 17/18 Newsletter

Industry Standard

Update 074

UKLPG CoP 24 Part 3

Date issued: 2nd

October 2017

This Industry Standard Update (ISU) provides an overview of the key areas of change arising from the amendments made to the UKLPG Code of Practice 24 Part 3 – 2017, Use of LPG for Commercial Catering Events, Street Food and Mobile Catering.

The team at Anglia Heating Training Ltd would like to wish you all a happy and prosperous New Year

LPG Vessels 1 & 2

We have been approved for LPG Vessels 1 & 2 and are actively taking bookings now for those of you who need to renew or want to add to your current portfolio.

GRANT BOILERS

We have 4 new oil boilers kindly donated by Grant, including the new Blue Flame boiler for comprehensive OFT 50 prerequisite training, and Oftec 101, 105 installation, commissioning & servicing training.

Commercial Catering Training

Our dedicated Commercial Catering training area gives engineers the experience of being able to decommission and commission a catering area with appliances, extract canopy, gas pipe work, & controls.

Managed Learning Program (MLP)

Due to a restructure of the way we implement the new Gas Foundation course, we have been able to re-evaluate the pricing structure.

New course starting in the New Year.
